

ROAD BAN LIFT NOTICE

This Road Ban Lift Notice applies to gravel Lac Ste. Anne County road surfaces, and rescinds the prior gravel road weight restrictions enacted March 23, 2022.

PURSUANT TO THE AUTHORITY granted under the provisions of Section 18(1) of the *Municipal Government Act*, the vehicle axle weight restrictions for gravel roads have been lifted as of **2:00 pm on Friday, May 20th, 2022.**

This status will remain in place until amended by the County.

The following restrictions remain in effect for hard-surfaced roads in Lac Ste Anne County:

Description	Percentage-Axle Weights
Cold Mix Surfaced (unless otherwise posted)	75% ALL YEAR
Hot mix Surfaced	75% ALL YEAR
Residential Subdivisions	75% ALL YEAR
RR 33 from Twp 535 to Hwy 633 (newly constructed in 2020)	50% ALL YEAR
RR 13 North of Hwy 37	50% ALL YEAR

This notice shall remain in effect until further notice. If you require further information or seek road use agreements, please contact the Public Works department via the contact details below.

Dated this 20th day of May, 2022.

Mike Primeau
County Manager
Lac Ste. Anne County

Managing and Mitigating Infrastructure Strain

Lac Ste. Anne County is responsible for the preservation and maintenance of all municipal roads, highways and bridges within Lac Ste. Anne County which are under the direction, control and management of the County. A very important part of this responsibility is the protection of roadways during the spring thaw. This time of year can create serious structural damage to roads and bridges if appropriate measures are not taken.

When a road ban occurs, signs indicating the allowed axle percentages are posted on some oiled surfaces and subdivisions. Road ban signage is not posted on gravel roads; however, all roads will be monitored and road bans enforced by Lac Ste. Anne County Enforcement Services to ensure compliance.
